Internet Updates

It is advisable to use the **Internet Update Function** of the eBook reader at regular intervals to check for any recent Errata, Corrigendum, Supplements, Amendments, and so forth... that have not yet been integrated into the main text of the eBooks. This function works with e-mail attachments too.

Note

This update sheet summarises the changes on the DVD released in September 2014 from the DVD published in March 2014. The eBooks updated manually (CD or Internet download) are not listed.

You can always check the title and description of any eBook for its specific update information.

Old editions replaced by a new title available on the DVD will be marked as 'Superseded'.

You can delete old editions using the [Remove Title] button.

Previous DVD Release – March 2014 (for information)
