Dear Sir & Madam,

As part of the REG (red ensign group) of Registries of which those that are permitted to register category 1 vessels also include CI, IoM, BVI and Gibraltar, we would advise ship operators and ship staff that the MCA Accreditation Ref MNA 138/005/0055 dated 16 Dec 2011 referring to "Witherby Seamanship International Ltd – Seamanship Library" would also be acceptable to Bermuda.
