Dear Mr Macneil,

Witherby Seamanship International Ltd - Seamanship Library

Thank you for the information forwarded to this office regarding Seamanship Library.

The Isle of Man Ship Registry is willing to accept the use of the Seamanship Library as an electronic equivalent for the onboard carriage of IMO instruments such as SOLAS, MARPOL, and STCW Conventions etc when these are required to be carried onboard either by the Convention or by the company safety management system.

Yours faithfully

Ron Strathdee
Principal Surveyor (Standards)
